

The Academy of St. Francis of Assisi

400 Totowa Road, Totowa Borough, NJ 07512

Tuesday, October 5, 2010

Dear Academy of St. Francis of Assisi Families,

A big thank you to all of the class moms who came out last evening for an orientation and to Maria Cuocolo for coordinating the project! These moms will help organize class parties and fundraisers; they are all enthusiastic and ready to roll. You will be hearing from them this week. We know we count on your cooperation and support.

Here are just a few reminders and calendar notes:

- **All PreK-3 pictures** will be taken at 8:20 on Tuesday, October 12
- **All PreK-4 pictures** will be taken at 8:45 on Tuesday, October 12

If your child does not attend Pre-K on Tuesdays please be here at the assigned time for pictures. After pictures, you may take home your child who does not attend Tuesday class. All pictures are taken in the auditorium.

- **McGruff Safe Kids**
 - All students will attend an assembly tailored to appropriate grade levels on Friday, October 15. This is an opportunity for them to be reminded about dangerous strangers. A letter is in today's packet that offers parents an opportunity to enroll with the McGruff Safe Kids Total ID System. Please read it carefully. **If you decide to participate, please follow the instructions and return the envelope by Tuesday, October 12.** There is no obligation for you to participate.
- **Halloween Happening**
 - Mark your calendars for **October 29, 4:30-7:30** for a **Halloween Happening!** The teachers are sponsoring this fun event. There will be booths with games and prizes, and food for supper. Watch for flyers with more information. Proceeds from the evening will go toward enhancing our technology program.
- **School sign-in**
 - All visitors (this includes parents) must sign-in at the office upon entering the building. No one is permitted to the upstairs classes without a security tag and authorization from the office. Thank you for your cooperation.

**God is greater than our minds and
cannot be caught within the boundaries of our finite concepts.**

Henri Nouwen

Peace and prayers,

Linda Kostenko, Principal
